Dear Rose,

I'm writing u a swell girls book, and I mean it.

An old fellow member of the Hellon street baseball gang, remember all the fun we had at Mike Colletta's with Marie, Rosalie etc.

"You sure missed a good party at Sue's and I mean it, and Mick passed out after 1 CAN of BEER, what a riot that was.

And all the time you would start to school we would get half way and then there was your dog, all the way you would walk home. how exciting.

And the time you, Ken, and I went to Sal's in my chevy, then to the cemetary that ~~was~~ was the life.

But really Rose that was all kids, and I'll tell you this summer and next year when you are a great big senior.

Schoolmen Work in

Rose / Well, we're back in session for this year and that's why it's now can't get a date with you. Congratulations on being elected to your board. Good luck / Jack Frost

Dr. Glen T. Goodwill
Superintendent of Schools

Tuesday nights when the lights burn late in the Superintendent's office on Calle Principal, Monterey residents know that their representatives, the members of the Governing Board of the Monterey Union High School District, are doing the work they were elected to undertake.

With Dr. Goodwill and his assistant, Mr. Reuben Johnson, they probe the problems of financing new construction, of making changes in the school curriculum— adding new requirements and dropping old ones, and of doing the hundred and one things necessary to keep the process of education functioning smoothly at MUHS. Prospective high school students may interrupt their meetings—when Dr. Arnold Manor, Board president, dashes away to meet the stork—but Mrs. Talcott Bates, Mr. Leonard Williams, Mr. Charles Frost (basketball fan extraordinary), and Dr. William Carnazzo (the enthusiast beside the football bench) just come another night to work on the problem of improving our school.

PROSPECTING THE GULCH for a building site are members of the governing boards and high school administrators: their aim: classrooms to accommodate the high school's increased enrollment. Dr. Thompson, Mr. Frost, Dr. Carnazzo, Dr. Goodwill, Mr. Johnson, Mrs. Bates, the architect, and Dr. Manor.

New faces and names met the Toreadores as they streamed up the hill in September, 1951, but before the month was out, they were as familiar as the sight of Mrs. Petersen's basket and the quotation the juniors expect to find daily on Mr. Edwards' blackboard. Soon it was Coach "Jo" instead of Mr. Giovinazzo, and shortly afterward Mr. Brigham's English accent was no longer a problem to the enrollees of his science classes.

The Galleon frequently carried news items about faculty members who, though carrying on "as usual" in the classrooms, nevertheless seemed always to be doing something extra, from serving at the Pittsburg game to taking part in panel discussions at the P.-T.A. meetings.

So once again the faculty guided us through a school year successful in both curricular and extra-curricular activities.

Student Leaders Ably Guide MUHS Activities

ANTHONY RAPPA moved up from the vice-presidency to lead the fall activities of the MUHS student body.

Elected to lead the school's activities and supervise the Legislature for the first semester were president Anthony Rappa; vice-president Jack Frost; secretary Susan Iino; and treasurer Barbara Potter. These students did a fine job and were replaced by an equally outstanding quartet in the second semester.

One of the most important organizations on the campus, the Legislature is the governing body of MUHS.

Representatives and alternates are elected each semester from each homeroom. The regulations and policies which govern the entire student body are received from these students.

LENDING ASSISTANCE to Anthony during the first semester were Jack Frost, vice-president; Dion Zaches, yearbook editor; Susan Iino, secretary; Barbara Potter, treasurer; and Doug Forzani, prosecuting attorney.

MUHS YELL LEADERS in their football season garb are ready to "hit it." Led by Paul Riso, they are Maybelle Lamb, Bette Fraga, Mary Costantino, and Janet Drake.

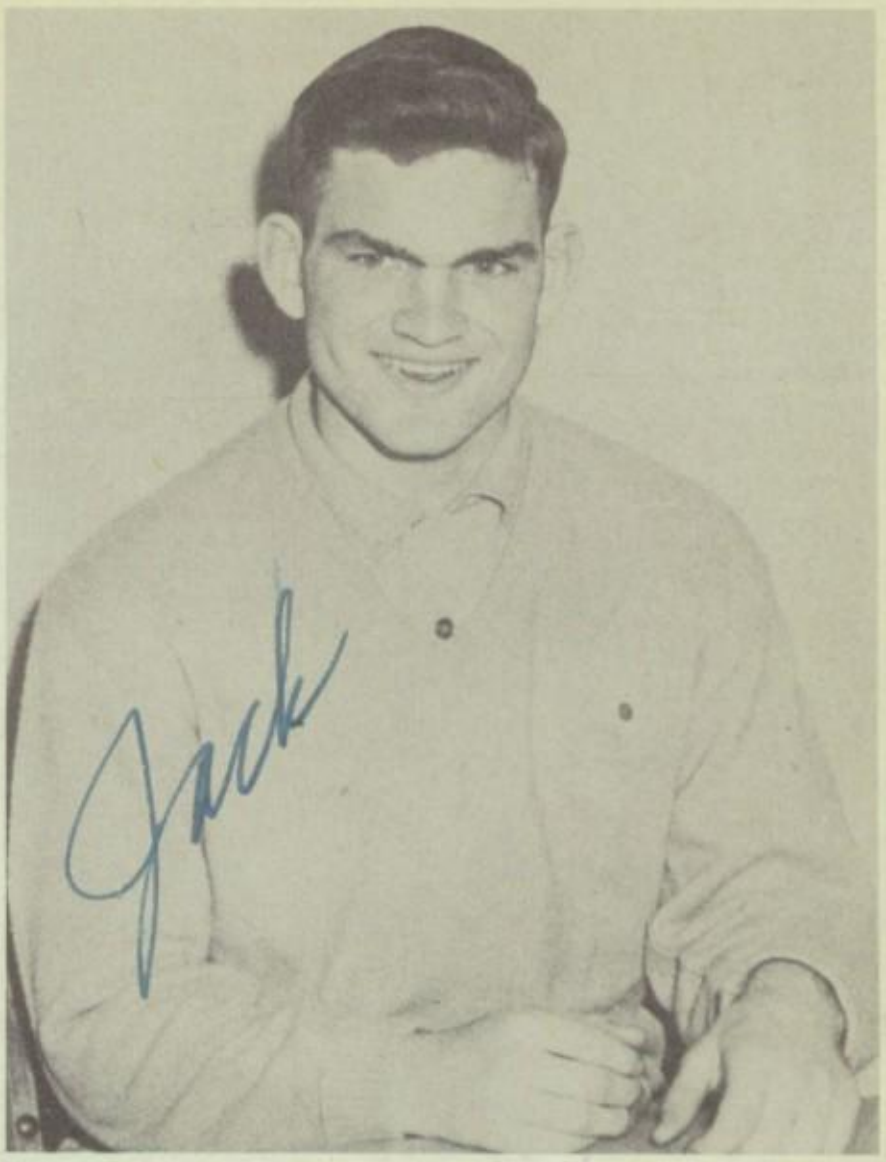
- Backbone of Government

The democratic way in which this organization operates parallels closely that of our own national government.

Yell-leaders, also student body officers, were elected at the beginning of the year and actively supported the football and basketball teams.

Being backed by a newly elected Legislature, Jack Frost took over as president for the second semester. His able fellow officers were vice-president Peter Tweedt; secretary Arlene Constanti; and treasurer Barbara Potter.



JACK "SOAP-IN-THE-SHOWERS" FROST led the student government during the spring semester.

OFFICERS ELECTED to support Jack during the second semester were Pete Tweedt, vice-president; Arlene Constanti, secretary; Barbara Potter, treasurer; Dion Zaches, El Susurro editor; and Doug Forzani, prosecuting attorney.

Memories of Four Busy Years

It's been a great four years at MUHS for the Senior Class. The dim pages of past history still show the bewildered frosh at their welcoming dance, the debonaire sophomores running the May Carnival and the hard working juniors giving the Junior-Senior Prom. On this year's El Susurro pages are pictured, at last, the sophisticated seniors.

Graduation is here. Now comes the time of parting when school friends go their separate ways and new friendships are made.

All the teachers who have laughed with us and worked out our troubles with us, all the incidents that made school exciting, seem suddenly like the footprints in the sand; memories which are gone but never erased from our minds.

Class of 1953

"This year's Junior-Senior Prom is going to be the best in history," was the password for the Junior Class this year. They worked long and hard to make it a success. Money from the coke sales at football games was the chief revenue. The juniors worked hard at their booth in the May Carnival to raise more money.

A Junior Class Play was produced, called "The Curious Savage." It kept the audience howling with laughter from act one until the final curtain.

With the Prom as past history, the class of '53 is ready to heave a big sigh and take a rest to prepare themselves for the next school year, when they will take over the business of running the school, as seniors.

Looking back on the past year they can truly say," It's been fun, but wait until next year when the Prom is for us."

MENTION THE PROM and the leaders of the Junior Class smile delightedly. Miss Schoeninger, class counselor, Jack Russo, president, Sally McCool, vice-president, Ray Cardinale, treasurer, Charlotte Iino, Secretary, John Crossman, social director, and Mr. Watkins and Mrs. Hawthorne, activities advisers.

Class of 1954

Being old hands at the high school game, the Sophomores returned this year with the air of hardy veterans. They had graduated from the lowly position of initiates and were just about, if not quite, upper classmen.

A big job for this hardy class was taking charge of the May Carnival again. They worked hard with their faculty advisers, Mr. Robert Combellack and Miss Carol Guido, and made the carnival one of the top spots of the year.

"Big" Andy Gonzales, who piloted the class of '54 through the first semester, continued to lead them through the year's second half of a successful year, as class president.

MAY CARNIVAL PLANS were made and carried out by this group of sophomore class officers, who made that gala occasion once again the big event of their year. Mr. Hawthorne, class counselor, Frances Carnazzo, vice-president, Andy Gonzales, president, Taye Suzuki, secretary, Bonnie Vandervort, treasurer, Mr. Combellack, activities adviser; standing, Pearl Ruiz and Joe Indorato, social directors.

Class of 1955

It took a while for the wide-eyed and young class of 1955 to fit into the routine of high school life. But before long they had acquired the scholastic air with piles of textbooks and homework.

Freshman athletes made outstanding contributions to the teams, and freshman scholars showed off well in their grades at semester time.

Their first officers were elected at the second semester. After a fiery campaign Bob Marron emerged the victor for the President's job. Seigi Yoshinobu was elected vice- president, and Jeanne Cardinalli, secretary-treasurer.

Ending the year in the traditional manner, the entire group attended its first class picnic.

THE FRESHMEN elected these officers during the second semester to direct the activities of their class. Seiji Yoshinobu, vice-president, Bob Marron, president, and Jeanne Cardinalli, secretary-treasurer, are pictured with their class counselor, Mr. Downey, and class activities adviser, Mrs. Sperling.

dog, but the players never accepted that role. They had fight and spirit which carried them through the season with their not once giving up.

Under the guidance of Coaches Clint Purcell and Nick Giovinazzo, the Toreadores completed an 8-game schedule without winning a game. Their scoring did not exceed seven points a game except on one occasion. The last game of the season generated the best scoring effort of the year as they lost to Santa Cruz 24-18.

During their campaign the Toreadores turned out some outstanding players. One of them was Anthony Rappa, two-time all-CCAL glue-fingered end.

On defense Rappa teamed with another all-CCAL player Delmer Scales at tackle. Together they made it rough for anyone coming around the right side of the line.

In the backfield the Toreadores had a number of hustling backs. With all-CCAL John Coniglio calling plays from his quarterback slot, fleetfooted halfback Pete Lecce was sent swinging around the ends for much of Monterey's yardage. Sharing the backfield load with Coniglio and Lecce were three hard-running backs Allen Bergquist, Jack Russo, and "Stoney" Rruno.

Lightweight Gridders Romp to Second Place in League Standings

At the outset of the season the Monterey Toreababes were looked upon as possible championship material. With such stalwarts as Ray Cardinale, Bill Scales, Frank Conte, and Larry Brown in the line, and Jim Stewart, Eddie Albert, Sal J. Aiello, Anthony Russo, and freshman Frank Casas in the backfield, a successful season seemed inevitable.

As the season progressed, the lightweights fluctuated between the win and loss columns. Until the final game, Monterey was definitely in the race for the league crown. At Santa Cruz the Babes were set back 12-0 by a team that went on to win the championship.

By the time the season ended, Monterey found itself in second place. Coaches Holloway and Larsh placed four boys on the all-CCAL lightweight team. The outstanding grid performers were Ray Cardinale and Jim Stewart, who made both the offensive and defensive all-CCAL teams, and Eddie Albert and Larry Brown, who garnered positions on the defensive platoon.

The Toreadores rolled up an impressive 19-5 record over the entire season. Along with their capture of the CCAL crown, the Toreadores grabbed the championship of the Carmel Invitational Basketball Tournament and placed third in the Tournament of Champions at Berkeley after taking the consolation bracket.

the Big Green machine, Jack Frost and Don Minick were chosen on the mythical all-CCAL team.

Losing three out of the fiirst seven contests, the team started out the season on a rather shaky foundation. The Toreadores then glided on a three-game winning streak which was shattered by Watsonville's giving the Green and Gold their only league loss.

Monterey picked up the pieces of its win streak and put them together again while the boys battled their way to the league championship and on through the Carmel Tournament. This gave them a total of ten straight victories and an average of 51.3 points a game in league play.

Their final setback came at the hands of the George Washington High quintet of San Francisco in the Tournament of Champions. The Washington Huskies won in an overtime period 45-42.

The team played terrific ball all season. Through the efforts of Coach Ed Larsh and the boys on the squad, every victory was a team win.

Of the five losses suffered by the Toreadores, three were avenged as Monterey came back in the scheduled second game to trounce their opponents. In the other two cases, only one game was played between the schools.

Along with Frost and Minick, the first team was composed of such sharp-shooting players as Vince Tomasello, Vince Ruiz, Charlie Howell, and Louie Canepa.

The men backing up the first squad were ready, willing, and definitely able to step into the lineup and perform in a very creditable manner. These reservists were John Logan, Sal J. Aiello, Dom Canepa, Mike Marron, John San Paolo, Ray Stensland, and Frank Young.

Lightweight Cagers in Third Place

In his first year at Monterey High, Coach Nick Giovinazzo piloted his Toreababes to a third place berth in the CCAL standings. The Babes were a hot and cold club throughout the season, looking like league champs at times. On the whole, the season was a success with the Babes boasting at 12 win, 7 loss record.

The starting five was a well-knit team. Out front at the guard positions were Jim Stewart and Ray Cardinale. Frank Casas, a freshman, held down

center, while Dom Mineo and Joe Indorato took the forward spots.

Chosen on the All-CCAL lightweight team were Ray Cardinale and Dom Mineo. Both these boys were outstanding because of their constant hustle and fine play throughout the season.

Reservists who worked into their respective positions with great proficiency and who saw quite a bit of action were Dudie Belleci, Buster Billante, Don Davison, Albert McKinney, Troy Petty, and George Yamanishi.

The league play ended with Salinas in first place, followed by Watsonville, Monterey, and Santa Cruz.

COACH DEL HOLLOWAY

Brawn and Stamina are the Word for the Monterey Trackmen

Our 1952 Varsity Cindermen seem to be a carbon copy of last year's team. The squad is composed of several outstanding performers although it seems to lack the depth necessary to carry the team to victory.

Some of the outstanding members of the team in the meets up to press time have been school record holder Vince Tomasello in the mile and Delmer Scales who shows definite signs of shattering the standing mark in the discus throw. Bill Alioto and Fritz Myers have shown up well in the sprints with Myers taking part in the field events also.

Clearing the hurdles for the Toreadores are Hank Smith, Fred Conte, and a promising junior, Bill Kennedy.

Coaches Giovinazzo and Holloway look for an improving team as the season progresses, and hope to send some of the boys to the NCS meet at the end of the season.

Front Row: B. Kennedy, F. Conte, D. Forzani, A. Hamil; **Row 2:** P. Sinsel, A. Sweat, N. Hazdovac, B. Alioto, J. Linares; **Row 3:** Coach Giovinazzo, D. Luiz, D. Myers, E. Maschmeyer, N. Bennett, Coach Hollowav.

Lightweight Thinclads on the Victory Trail Again

It looks as though another powerhouse team of lightweight trackmen is going to carry the Green and Gold to great heights this year.

In its two meets to date, the fleet-footed thin clads have put on outstanding performances, completely outscoring all their opposition.

Monterey's lightweight relay team of Mineo, Indorato, Ferrante, Vachal and alternate Hemenway look like strong league contenders.

Gary Oleari looks good in the 1320 as do Ray Cardinale in the 70-yard dash and Dom Mineo in the high jump.

Two of the most promising performers are Gene Jones and Ed Lawton. Jones has turned in fine exhibitions in the 70-yard high hurdles, 330, and shot put. Lawton has been timed at near record time in the 660. Both these boys will greatly enhance the chances of this year's and next year's lightweight team.

COACH NICK GIOVINAZZO

FLEET-FOOTED LIGHTWEIGHTS Gary Oleari, 1320, Gene Jones, 70-yard high hurdles, and Edward Lawton, 660.

The Bat and Glove Men

The boys treading the base paths for Monterey High have the makings of a strong ball club. Under the tutelage of Coach Ed Larsh, the Toreadores should be able to overcome a poor start in which they lost to Salinas 11-6 and to Santa Cruz 21-5.

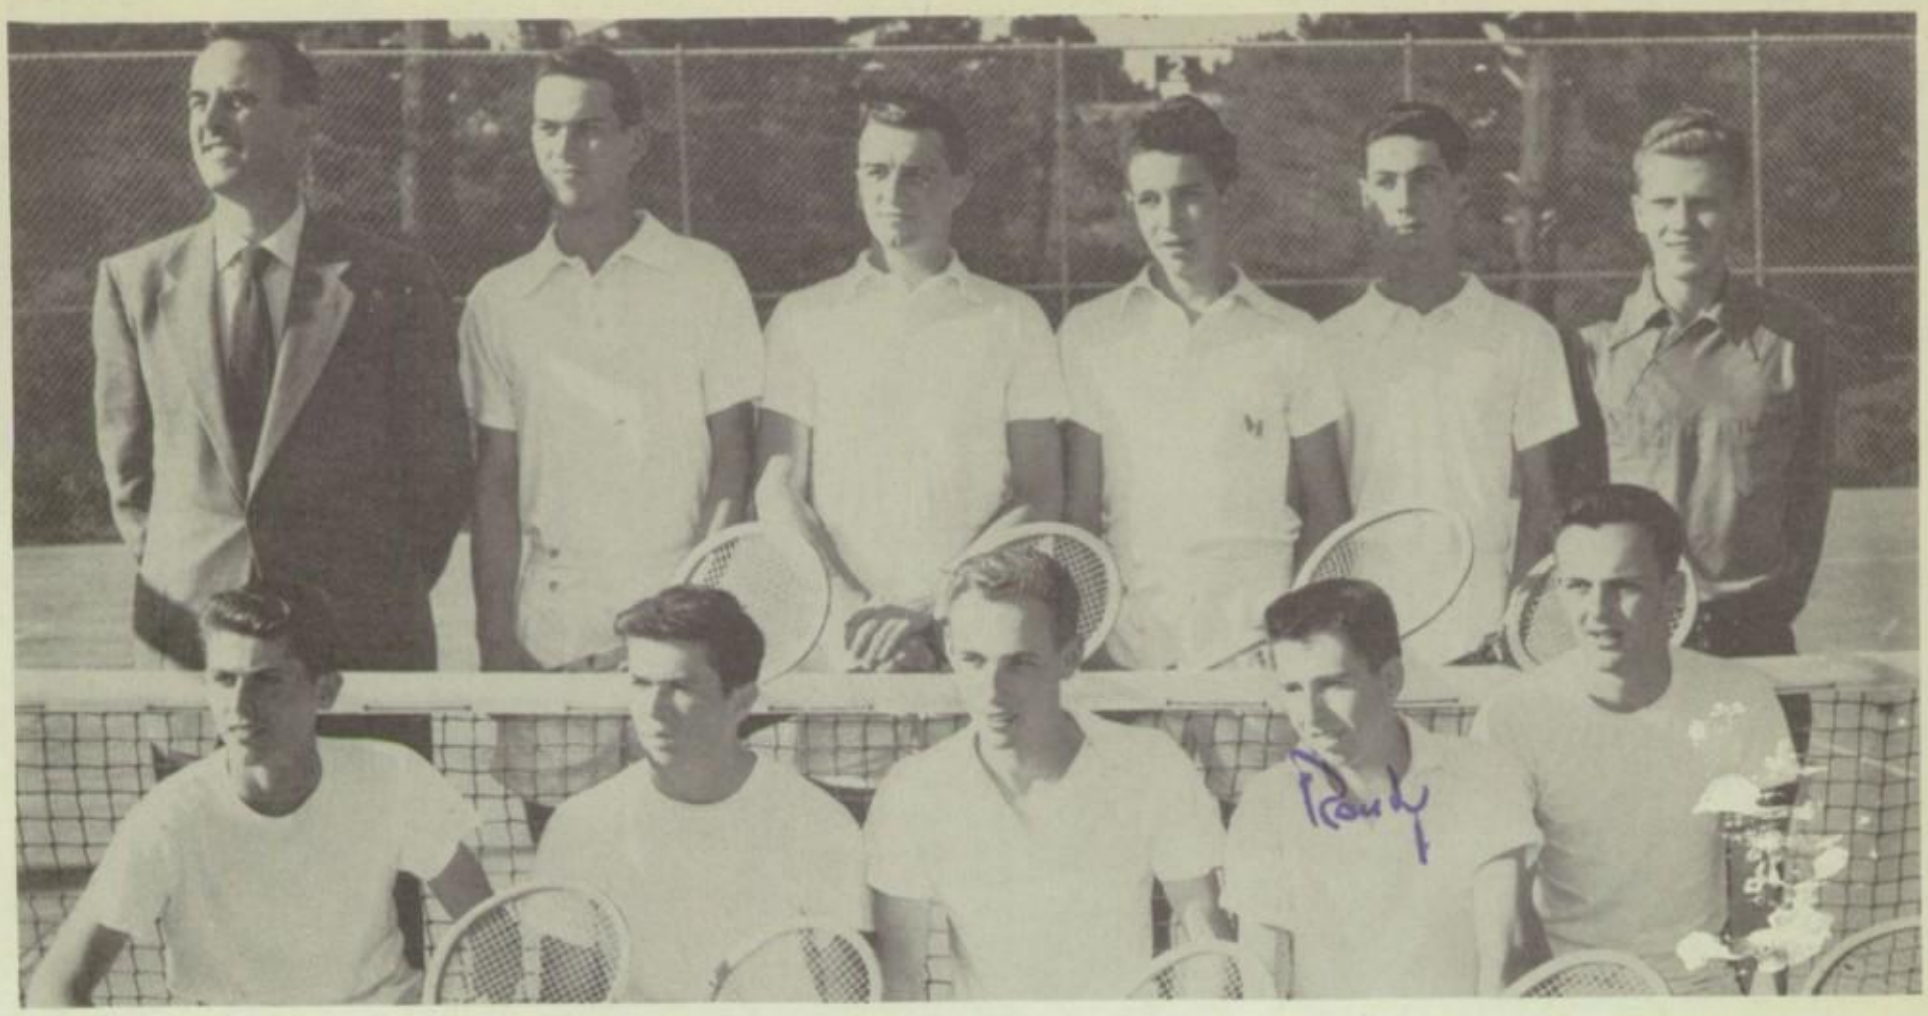
With several returning lettermen on the squad, Larsh does not lack players with experience. Back for another turn at bat are pitcher Leroy Wentz, catcher Lee Harter, second sacker Ray Cardinale, first baseman Bernard Catron, and Sal J. Aiello, and utility man Joey Rogers.

Positions on the team are not definitely set; however, there are boys who hold down their respective positions fairly regularly. In addition to those mentioned before, the team has Dale DeSilva, a freshman, at short stop, Jim Stewart at third, and an outfield completely dominated by frosh: Danny Douglas in left field, Frank Casas in center, and Dudie Belleci in right. Eddie Albert switches between first base and the mound, depending upon the pitching situation.

Rounding out the squad are Bob Napoli, Dick Regester, Anthony Cardinale, George Machado, and Larry Feliciano.

FOUR OF THE NINE, Jim Stewart, 3b; Ray Cardinale, 2b; Leroy Wentz, p; and Danny Douglas, lf.

COACH ED LARSH



Kneeling: J. Sansone, B. Beall, B. Woodward, R. Reinstedt, R. Reid; **Standing:** Coach Schuman, J. Mortenson, M. Marron, J. Logan, H. Siever, B. Harris.

The Racqueteers

The 1952 Toreador tennis squad is looking forward to another season of top quality tennis. Along with defending their CCAL crown for the 14th year in a row, the Toreadores have lined up matches with some of the outstanding teams in the state.

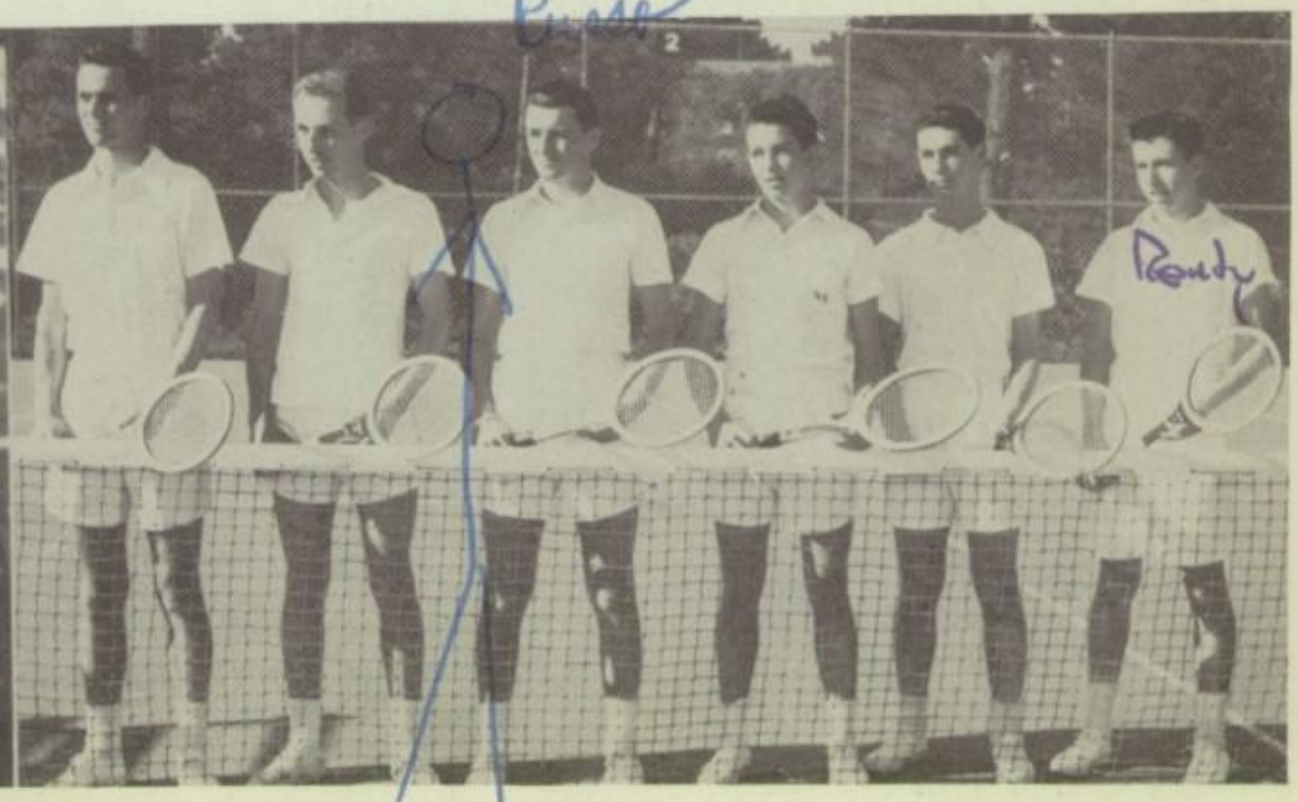
The Green and Gold is scheduled to square off against San Leandro High, California JV's and the Stanford JV's, all of whom are powerhouses in the Bay area.

Once again this year the Toreadores take to the open road when they begin a barnstorming tour of the southland. Coach Dick Schuman has not only lined up matches with Santa Monica and South Pasadena High, but will put his Toreadores to the acid test against the USC and UCLA JV's.

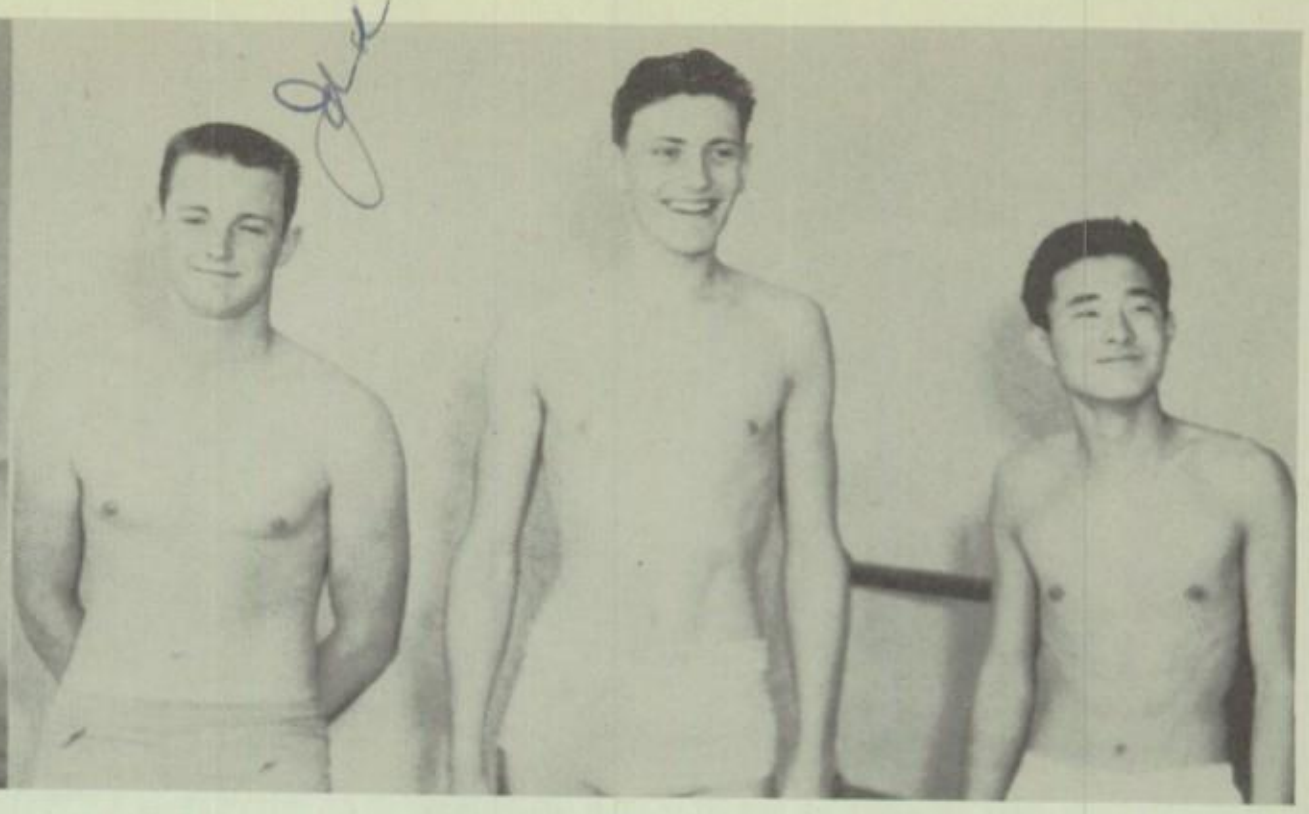
This should be a big year for the Monterey Racqueteers, as three of the lettermen are seniors. These boys in their last year of high school competition are Mike Marron, John Mortenson, and Bob Woodward.

COACH DICK SCHUMAN

THE BIG SIX: J. Mortenson, B. Woodward, M. Marron, J. Logan, H. Siever, R. Reinstedt.



COACH JOHN POSKUS



MUHS MERMEN: J. Neary, O. Kratins, E. Chang.

The Mermen

Another CCAL Championship seems to be in the prospect for Coach John Poskus' swimming team this year. "Uncle John" is well pleased with his team with its abundance of freshman performers.

Leading the freshman contingent in the class B division are Bob Marron, breast stroke, and Pete Pieczentkowski, free style. Another freshman, Jim Olson, is doing exceptionally well in the class A free style.

Veteran and other outstanding performers are Dave Hildebrand, back stroke, Capt. Joe Neary 200-yard free style, and Oyar Kratins, 100-yard breast stroke, who are all in the class A division. Captain of the B division, Edmund Chang, looks good in the 100-yard free style. Also in the B division are other "comers," Breck Tostevin, 75-yard individual medley, and Bob Marett, 75-yard individual medley.

After the CCAL meet comes the NCS which will be the real test for the Toreador Mermen.

Divot Diggers

After winning the CCAL CROWN last year, the Toreador golf team will be out to make a repeat performance this year.

The team lost but one man by the graduation route last year and should, therefore, keep up their championship brand of ball.

Leading this year's campaign will be Pete Geyer, Vince Tomasello and Adrian Montiel, last year's winner of MUHS's largest trophy, the Schaffer Trophy. Other members of Coach Wayne Edwards' team are Ernest and Edward Cortes, Dom Canepa, Vince Ruiz, Art Cano, Hank Smith, and Paul Verga.

Enjoy After - School Sports

From September to May the feminine sports enthusiasts at MUHS begin a new day at 3:40 when they turn out for an intra-mural program which includes hockey, basketball, swimming, softball, volleyball, tennis, and archery.

Those girls who gain a sufficient number of participation points become members of GAA, and then begin to work to earn their numeral, block, and star.

Newly organized and eager, the Girls' Block M Club is an honorary club for those girls who have earned their blocks. Still comparatively young, the club is looking forward to growing and improving in the years to come.

Results of the inter-class competition this year show that the seniors came out on top in both basketball and volleyball and that they tied with the juniors in hockey.

With spring at hand, the seniors are eyeing the softball championship title, and GAA and Girls' Block M Club members are planning their annual potluck supper and booths in the May Carnival.

DION ZACHES climaxed her four years of service on the yearbook staff by editing the 1952 El Susurro.

El Susurro

Recognizing that all the MUHS Toreadores would like to leave a more permanent record for the future than their footprints in the sands of time, the members of the 1952 El Susurro staff planned as complete coverage of the classroom, athletic, and social events of the year as money and space would allow. From that point on, hard work was the order of the day for everyone, selling subscriptions and advertising, photographing people, games, dances, and assemblies, and later cutting and pasting pictures, writing copy, and matching faces and names.

Once again the announcement that El Susurro group pictures were to be taken heralded rain—a week and a half of it, so that cameras were set up and taken down many times before the work was done. However, the delay gave the Camera Club the opportunity to obtain a new wide-angle camera to do the job so that El Susurro benefited.

So, for June, 1952, and as a memory-jogger in the future, El Susurro presents Prints from Monterey Union High School.

SMILING NOW that the job's nearly done, Arlene Constanti, senior editor, John Mortenson, sports, Mike Marron, art, Polly McKay, organizations editor, and Janet McLean, school life editor, relax in the tower room while the photographer works.

THE DARK ROOM BOYS spent hours taking other people's pictures and developing them; so, for a change, we record their faces: Oyar Kratins, Bill Ferguson, Louie Carnazzo, Jack Russo, Doug Forzani, Bob Blaisdell, and Don Evert.

Camera Club

Trailing through room 13 on their way to the dark room, tiptoe the members of the Camera Club—why? ah! the dark room's blacked out, and that's the only other way in. And as their contributions to the Galleon and El Susurro are a major item in both the paper and the yearbook, their right of trespass goes undisputed. The Camera Club members contribute to the improvement of their own work by putting what money they do earn back into the dark room—this year's donation, a camera with a wide-angle lens for taking group pictures.

Honor Roll of Speech

One of the few completely honor organizations on the MUHS campus, the Honor Roll of Speech is comprised entirely of students who are outstanding in the speech and drama fields.

These students have shown their talents in speech contests and dramatic productions, and are selected for the club by a faculty group and representatives of both the Speech and Dramatics clubs.

The group, though without officers or actual club organization, has as its members many outstanding members of the MUHS Student Body.

AMONG THOSE HONORED for their speaking ability are **Front row:** J. McLean ,S. McCool, P. McKay, R. Flores; **Row 2:** B. Ferguson, P. Jordan, D. Myers, L. Canepa, K. Albertus; **Row 3:** J. Mortenson, B. Greschel, J. Cummings, D. Nichols, Mr. Jacobson.

Special privileges go with a membership card in the California Scholarship Federation at Monterey Union High School, a reward to the students for having earned at least three A's and one B in their semester grades. Life membership is gained in the CSF by students who are members for six semesters, including one in the senior year.

Golden M

To encourage better scholarship the Golden M was organized for all those students who had attained six grade points for eight quarters. One point was given for a B and two points for an A.

Members were presented with galleon chain guards when they made the club requisites. Golden M pins were given the senior members by the P-TA.

The club adviser is Mr. Wayne Edwards.

Known as CYF, the Christian Youth Fellowship s a non-sectarian club organized for Christian fel-owship.

The club, with faculty sponsor, Miss Virginia Johnson, is planning an evening meeting with Vaughn Schoemaker, nationally acclaimed cartoon-st.

Hy-Y

Organized to create and maintain high Christian standards of character, the Hi-Y holds its bi-monthly meetings at the Monterey USO.

Copa Casa La Mar, the Hi-Y's annual night club dance, complete with seven-piece dance band and sophisticated atmosphere, was the high spot of the group's activities this year.

Key Club Sets Record of Achievement

"Most active club on campus" was the claim made by members of the MUHS Key Club, and they worked hard to make good on their statement throughout the year. Many people and groups reaped the reward of the efforts put forth by these boys, who were easily identified in their new jackets.

Income to carry on their various activities came from the sale of football programs and from the sale of ice cream bars at the basketball games, from the presentation of a movie, and from the promotion of a football game between the "Has-Beens" and the "Will-Bes" after the regular season was over.

Adding up the score at the end of the year, Key Club members found to their credit one uniform, presented to the MUHS Band; two checks, one contributed to the Monterey City Schools' milk fund and one given to the school for cerebral palsied children for helmets; one repair-and-paint job done at Christmas time on numberless broken toys; and one dinner for the football team.

KEY CLUB SENIORS, **Front row:** P. Tweedt, D. Myers, B. Ferguson, J. Coniglio, B. Harris, J. Frost, Mr. Purcell; **Row 2:** B. Greschel, D. Minick, J. Mortenson, B. Woodward, V. Tomasello, P. Verga.

SC FOOTBALL COACH Jesse Hill speaks at the ey Club-promoted football banquet held at Cerrito's. so at the head table were Mr. Purcell, Key Club ad- ser, Dr. Thompson, Superintendent Goodwill, and r. McNeil.

KIWANIS CLUB MEMBERS were entertained at dinner in Room 10 during the spring semester.

PETER TWEEDT, Key Club president, gives Assistant Superintendent Reuben Johnson a check for the Monterey City Schools' Milk Fund. Approving the gift are Don Myers, Mr. Purcell, Eddie Albert, and Larry Feliciano.

Balesteri, A. Nicastro, J. Maiorana; **Row 3:** Miss Shapard, M. Pace, M. Crivello-president; R. Maiorana, E. Brown.

Junior Red Cross

The Junior Red Cross has been busy during the past year packing Red Cross boxes to be sent over seas. The boxes contained socks, combs, soap, needles and other needed scarce items.

Scrapbooks were made for a local Child Care Center.

It can be sincerely said that the Junior Red Cross has lived up to its purpose to help the less fortunate young people throughout the world.

Radio Club

Organized for students interested in radio either as a hobby or as a vocation, the Radio Club, under the faculty advisership of Mr. Combellack, has worked to increase student interest in radio and electronics.

Highlight of the club for the year was the picnic held for the twenty members.

RADIO CLUB MEMBERS, **Front row:** C. Freedlun, W. Miller, D. Howard, M. Trantham, R. Ellis, B. Wright; **Row 2:** B. Catron, D. Evert, F. Johnson, F. Layton-sec'y-treasurer (2), Mr. Combellack; **Row 3:** R. Bassett, B. Cooper, C. Matthews, T. Balbo, R. Walton, vice-president (1).

Science and Math Club

Meetings of the Science and Mathematics Club are given almost entirely to demonstrations by student members. These experiments are enjoyed by all, whether they are successful or not.

For a final activity the entire group, with faculty adviser, Miss Virginia Johnson, is planning a trip to Lick Observatory.

Book Club

Names of famous local authors have been found on the list of guest speakers for the Book Club along with those of book dealers and faculty members. The club expresses its purpose as being to teach the enjoyment of reading. Most meetings are given to discussions by the members of recently read books.

The group plans to do open house hostessing when the new Monterey Public Library is opened.

Neary; **Row 7:** L. Eckhardt, J. Yokota, L. Harter, S. A. Aiello, S. Aiello, W. Patrick, R. Reid, G. Beck.

Trade and Industrial Club

Membership in the Trades and Industries Club is composed of boys enrolled in the vocational training of the school shops. Its purpose is to promote good fellowship among the members of the shop departments, develop good citizenship, and to tie trade and industrial education in with the community through contacts with employers and employees of the community. With the purpose of informing students of working conditions they will encounter when they enter the labor market, the club plans to increase the number of speakers on management and labor.

On the activities side, the T&I Club has been active in sponsoring highly successful dances held after MUHS games. Participating in the big spring event of the year, the May Carnival, going on a number of different field trips, and holding a huge picnic for the eighty-six members of the club, the T&I can well boast a successful school year under the faculty advisership of Mr. Holman.

Rooters' Club

PICTURED IN THEIR NATURAL HABITAT—the football bleachers—are the members, nearly 400, of the ROOTERS' CLUB. (Their photograph is on the end sheets, for where else would such a large picture fit?) This group was organized under the sponsorship of Mr. Watkins to make an organized rooting section, white shirts 'n all, at the games, to arrange transportation for out-of-town games, and to create and maintain at a high level that almost undefinable thing—School Spirit. Officers for the year were Mike Marron, president; Vince Ruiz, vice-president; Sheryl Youngman, secretary; and Bob Marron, treasurer.

FHA SENIORS, **Front row:** C. Wooldridge, S. Kalar, P. Dickinson, R. Bellante, A. DiMare, C. Giobbe, K. Yamahara, J. Owashi; **Row 2:** D. Zaches-president, B. Glover, M. Sinn, E. Costanza, M. Future Homemakers of America

One of the largest all-girl organizations on the MUHS campus, the Future Homemakers of America, is also one of the most active. Members of the club sold hot dogs and coffee at the home football games.

The club's senior members spent a weekend in San Francisco in reward for their outstanding work during the past four years. They stayed at the Canterbury Hotel, toured Chinatown, saw the musical, **Happy Time,** and toured the Stanford campus on the way home.

At the May Carnival the group had a gayly decorated cafe booth which featured cakes, pies, cookies, and pizza.

A Mothers' Day tea and fashion show was given by the club, to which all students were invited to bring their mothers.

Latin Club

Dicipuli Romani, the Latin Club, makes its bimonthly meeting partly social and partly for business. The group held a Saturnalia dinner party in Roman costume. A picnic held at Lover's Point in Pacific Grove was enjoyed by all who attended.

The club conducted after school candy sales for a money raising project which netted a substantial amount.

A theatre party went to see **Quo Vadis** and returned with enthusiastic praise. The club sponsored a booth in the May Carnival and climaxed the year with a picnic.

As a gift to the school, the club presented a film strip entitled, **Life in Ancient Rome.**

Spanish Club

A swimming party and dinner of chili beans and enchiladas started the Spanish Club's activities off with a bang this year.

After the first semester the new members were initiated into the club. The event was climaxed with a welcoming party.

For the May Carnival the club sold cascarones, which made a hit at the affair.

Big Sur was the location of the annual picnic which the club sponsored. Swimming, hiking, and just plain loafing occupied most of the day. With poison oak and sunburn, the club ended the year's fun.

"YO SOY TONTO" writes Ceasar Albert for the fiftieth and last time at the Spanish Club initiation while president Sharon Siever watches to see that he does his task correctly.

French Club

J-3, which is in reality the French Club, has the distinction of being almost international. Several of the European students of MUHS belong to the club.

To gather people interested in French together is its purpose. It seems to have done very well in its aim by collecting people from all over the world.

The club sponsored a food booth at the May Carnival. The members saw a French movie, which was enjoyed by the entire group, and ended the year with a picnic.

Speech Club

An ever-growing interest in the speech arts has been evident among students at MUHS for some time, and the idea of beginning a club for speech students took hold during the fall semester. An enthusiastic group met with Miss Swift during the spring to lay plans for such a group. As yet unchartered by the student body, the Speech Club promises to be an active participant in Monterey Union High School affairs.

SPEECH STUDENTS, **Front row:** S. Helwig, M. Vellis, K. Parks, J. McLean, C. Brittain, B. Fraga, D. Tarallo; **Row 2:** K. Granville, E. Coverdale, P. Tribby, B. Alioto, W. Stone, H. Miller, M. Hoover; **Row 3:** Miss Swift, E. Catania, P. Curran, J. Mortenson, J. Crossman, B. Beall, J. Cummings.

Paletteers

Outstanding as one of the school's most active honor clubs, the Paletteers have succeeded in adding another successful year to their long list of past accomplishments.

This year's annual Paletteers' Variety Show proved to be one of the greatest ever put on. Adding to this achievement, the Paletteers again gave a variety show, this time, free to all.

Another highlight of the year was the three-day trip to San Francisco where the club enjoyed the play, **Darkness at Noon,** toured Chinatown, ate a huge Chinese dinner, shopped, and visited the art galleries, museum, zoo, and acquarium.

In honor of the seniors, a farewell barbecue dinner was planned. To climax a terrific year, the seniors and alumni were invited for dinner at Miss Harpe's home.

In organization, friendship of members, and fun, the Paletteers are hard to beat!

Music Organizations Entertain Students and Community

Under the superior direction of Mr. Clifford Anderson, the MUHS band has grown and reached a peak this year that will be hard to equal. Starting a busy year, the band appeared at all home football games, providing the spectators with halftime entertainment, and participated in a parade sponsored by local fishermen. Among the year's highlights were the Christmas Concert, when the band thrilled an enthusiastic audience, the successful Spring Concert, and the music festival held in King City on April 19. A student body concert here was so well received that the performance was repeated for the Monterey Peninsula College.

High honors were heaped upon the band in the form of invitations to take part in musical activities for a Superintendents' Convention in San Jose, to take part in the high school band day at Berkeley for the Cal-Oregon game, and to act as clinic band for the Music Educator Conference in San Jose. As the clinic band, the MUHS musicians gave a concert, played new music, and received a thrilling experience playing under the baton of the distin-

THE ORCHESTRA, whose officers—Anthony Venza-president, Henry Smith-vice-president, Gertrude Beall-secretary-treasurer, and Sheryl Youngman-publicity dirctor—are shared by the Band, dressed up for the Spring Concert.

guished band director, Clarence Sawhill, of the USC band. High praise goes to the Monterey band for a superior year!

Applause goes to the pep band for boosting school spirit at rallies and basketball games. Composed entirely of boys, the pep band really went to town under the acrobatic direction of Peter Leece, musician, director, and athlete. One of the most noted feats of the small band was competing with the full-size bands at San Francisco during the Tournament of Champions. One could really tell Monterey was represented there.

With a promise of growth and improvement, the MUHS orchestra has succeeded in becoming a very music-wise organization. An extremely select group of musicians, the orchestra deserves praise for the outstanding work done under Mr. Clifford Anderson. In playing for the Senior Play, and participating in the Spring Concert and Coast Counties Music Festival at King City, the orchestra has progressed and has gained a more than satisfying year of musical achievement.

SPRING CONCERT SONGSTERS were the members of the Mixed Chorus; Henry Smith-president, Virginia Alves-librarian, Stella Crivello-treasurer, and Jean Pratt-secretary.

Girls' Glee Club

Monterey Union High School's Mixed Chorus and Girls' Glee Club have had an active year as any member can tell you. They began by performing at the U.C. Treble Clef Society's annual festival. Another trip enjoyed by club members was to hear the Robert Shaw Chorale in San Jose.

The combined groups gave student body assemblies and sang at both Christmas and Spring Concerts. Outstanding members of the Chorus were sent to represent the school at the Central Coast Counties Honor Chorus held in Watsonville.

They finished out the year by going to King City for the Central Coast Counties Music Festival. Along with the Band, they spent a happy day in Big Sur on the Music Department picnic.

Singing for their final performance of the year, the Chorus did a thrilling job at the graduation exercises.

DIRECTED BY MR. MANHIRE, the Girls' Glee Club sings at the Spring Concert. Accompanist, Swannie Howell.

Dear Rose,

It really has been swell going around with you this past few years. You've been tops. We sure had fun in the city and we sure made good team on the buses.

You looked just darling at the prom and I hope you were satisfied with me being your queen.

Here's me wishing a girl with a wonderful personality and darling looks the best of luck. You're tops.
